

F3450001 ARARAT

This authentic ikat is represented in the MANISA print (F3449). Manufacturing it requires precise know-how based on experience because the warp is printed before weaving. During this phase, the weaver anticipates the variations that the design will undergo during the weaving phase. The result is a slightly blurred design that gives ikats their timeless and unique charm.

F3450001 - Rose

Pierre Frey

TYPE	Prints
USE	Curtain
COMPOSITION	62 % Polyester - 38 % Silk
SALES UNIT	Available per meter/yard
WIDTH	148 cm / 58,26 inch
REPEAT	H: 23 cm - 9,05 inch V: 36 cm - 14,17 inch Straight repeat
WEIGHT	148 gr / ml
CARE	

INFORMATION	Warp printed, each pattern is different.
