

FT546_SP ARDARA

Bold in scale and full of character, the ARDARA rug stands out for its striking proportions and rich textural effects—like a breath of fresh air that elevates the elegance of traditional Irish checks. The rustic quality of its New Zealand wool loop pile is no accident: it is hand-tufted, then over-tufted, and finally irregularly sheared, combining craftsmanship, technical expertise, and the timeless appeal of the SEQUANA line.
