

FT555002 SEASIDE

Composed of alternating geometric forms that interact in a rhythmic dialogue, the SEASIDE rug evokes an aerial view of a coveted summer shoreline. The interplay of cut pile and loop pile lends depth to this design, infusing it with a lighthearted, playful spirit. It is available in a range of colorways, each inspired by the seaside—alternately evoking the warmth of sunlit sand and the refreshing coolness of turquoise lagoon waters.
