

# FT557001 MARATTIA

MARATTIA is a bold abstract composition, evoking the blurred vision of a flowering tree seen through a shaft of sunlight. This invitation into the heart of a Californian summer is made possible by a masterful command of color and yarn blending, with no fewer than 160 heathered shades. A feat of creative daring that pays tribute to the craftsmanship, artistry, and spirit of creation so dear to Maison Pierre Frey.
