

F3076001 CELAYA

With its assertive personality, Celaya delights us with its construction of multicolored stripes boasting a myriad of weaves to produce relief effects. The geometric motif is in the pure tradition of the motifs used for Mayan purses, etc. This weave has been developed to be very easy to clean and suitable for outdoor use. It can thus be used for a variety of purposes. It will be ideal for furniture, cushions and hangings in the home, on the patio or by the pool.
