F3128011 CRAFT

A sublime fabric in heavy linen, the 'Craft' model features all the sophistication expected from this exceptional material in a 'vintage' treatment for a stylishly bohemian look. Available in a broad range of powdery shades, it adds a touch of pastel color that blends perfectly into a subtle decorative scheme. The fabric also plays on contrast. The irregular linen treads add verve and a distinctive style. But it is also supple and comfortable thanks to a 'stonewashed' treatment that gives it a patina and softens its movement. Exceptional hold, stability and remarkable hand and drape: this linen has all the advantages and is equally beautiful as curtains or for seating. Since the fabric is piece-dyed, then faded, we cannot guarantee absolute matching from one color bath to another.
