

## F3384003 VICTOIRE

Gilles & Boissier's 'Les trois sœurs' capsule collection for Pierre Frey. Victoire is a silky jacquard that reproduces a very beautiful brocaded lampas from the mid-18th century. Its originality lies in its finely chiné satin finish. The motif is composed of a floral garland alternating with a semé of stylised flowers that evokes Chinese lampas, fabrics renowned under Louis XVI and during the reign of Louis-Philippe. Gilles & Boissier revisits this sumptuous fabric for Maison Pierre Frey in memory of his dreams in front of the Queen's room in Versailles.
