

## F3702006 HENDAYE

Semi plain In/Outdoor water and stain repellent fabric, HENDAYE is a subtle reminder of linen weaving thanks to a beautiful chiné effect and a play of contrast between a white warp and a colored weft. Its vibrant colors evoke the mineral and solar universe of the South of France. Its supple hand and its solidity make it an essential for seats and curtains.

### F3702006 - Mimosa

Laize : 138,00 cm / 54,33 inch

### Pierre Frey
