

F4029001 CROSSROADS

"Warp and weft, an infinite landscape of complicity, of encounters, of cultures; weaving together a great multicoloured flag. Like a range of Castelbajac colours, reinvented for the days to come." Jean-Charles de Castelbajac. CROSSROADS, an In-Outdoor high-performance jacquard, is woven in Pierre Frey's workshops in northern France, which are leading European specialists in stain- and light-resistant textiles.
