

F4047001 PRIMADONNA

PRIMADONNA is a re-edition of a historic wallpaper design from the Drottningholm theatre dating from the 18th century. Located on the grounds of the Royal Palace near Stockholm and often referred to as Sweden's little Versailles, this theatre has preserved its trompe-l'œil sets and 18th-century machinery. The magnificent tree-of-life motif, printed on an ecru background, has the charm of antiquity and the freshness of spring.
