

L3998003 TCHAD OUTDOOR

This design is part of the great tradition of African designs published by Le Manach from 1928, reproducing a motif commonly found on Kuba velvets from the Democratic Republic of Congo. This iconic Maison Le Manach design has been reimagined in a new high-performance outdoor weave by the Pierre Frey workshops in northern France, certified with the EPV label and renowned across Europe for their expertise in stain-resistant and lightfast textiles.
