

L4003002 GUEPARD OUTDOOR

The coats of wild animals have been an uninterrupted source of inspiration for Le Manach since the 1920s. The cheetah will add a touch of exoticism to the most sophisticated decor. This iconic Maison Le Manach design has been reimagined in a new high-performance outdoor weave by the Pierre Frey workshops in northern France, certified with the EPV label and renowned across Europe for their expertise in stain-resistant and lightfast textiles.
