

# L4008002 TSOMBA OUTDOOR

A tribal, graphic pattern composed of geometric shapes, TSOMBA plays on a perfect balance between form and substance. Its design evokes ancient symbols or primitive architecture. This iconic Maison Le Manach design has been reimagined in a new high-performance outdoor weave by the Pierre Frey workshops in northern France, certified with the EPV label and renowned across Europe for their expertise in stain-resistant and lightfast textiles.
