

O7963001 NAKAI BRODERIE

Embroidered full-width on a beautiful cotton satin, NAKAI offers a new interpretation of Boussac's most celebrated pattern. A best-seller in its printed form and already adapted as a wallpaper, it is now explored through embroidery for the first time. This technique enhances its naturalistic dimension by introducing depth and relief. The fantastical stems, from which exotic flowers and fruits emerge, seem to spring to life, an ode to the enchanting beauty of nature.
