

FBOUDCA200B2 BOUDOIR

Designed by Axel de Beaufort, the Boudoir sofa embodies a refined vision of comfort and intimacy. This modular piece, featuring a single seat cushion, exudes understated elegance and was conceived for a discerning, high-end clientele. Its wide, curved lines and generous proportions evoke the atmosphere of a private club, luxurious, cozy, and quietly sophisticated. Deep and enveloping, it invites complete relaxation. The sofa's structure offers great flexibility, allowing for bespoke configurations. Its customizable base can be finished in a mirror-polished version, lending a sense of weightlessness and suspended grace. Originally envisioned in white and soft neutral tones, the Boudoir is available in a wide range of Pierre Frey fabrics, inviting each client to create their own interpretation. Manufactured by Pierre Frey, this sofa combines aesthetic precision, delicate design, and exceptional craftsmanship.
