

FCARLFA055W CARL

Created by Sandra Benhamou, the Carl line represents a minimalist aesthetic. This line of compact elliptical shapes is defined by simple and precise lines perfectly stretched into an arc of a circle. Its slightly enveloping shape brings softness to an interior. Refined and elegant, the metal headband of the base raises the seat and magnifies it in the image of a jewel. Its narrow seat and low backrest presuppose a dynamic posture. The Carl line is distinguished by its reduced proportions evoking intimacy and discretion.
