

FMARTPO047B MARTA

With MARTA, Gregory Beson envisions a tender, mobile collection that brings together woodworking and upholstery in a harmonious dialogue. Designed as a series of small, welcoming islands, the pieces blend wood and fabric with both softness and clarity. Each element integrates effortlessly into a wide range of interiors, offering both stylistic flexibility and everyday functionality. Fully customizable, MARTA stands out for its joyful simplicity and enveloping shapes, free from sharp edges or rigidity. It invites comfort, movement, and spontaneity. The name MARTA pays tribute to the mother of a close friend, a figure of care, kindness, style, and transmission. Through these pieces, Gregory Beson celebrates the warmth of human connection and the emotional threads that shape the way we live and design our spaces.
