

## FPONTCF076LMS PONT NEUF

With the PONT NEUF line, Studioparisien signs an ode to contemporary comfort and Parisian elegance. The collection unfolds in three pieces with decidedly sensual volumes: a sofa, a slipper chair, and a pouf, all conceived as modern refuges. Deeply comfortable and intuitive, these pieces transform any space into a lived-in, warm, and elegant setting. The sofa, enriched with a generous feather filling, envelops the body in continuous, sumptuous softness. Its silhouette, highlighted by an oak or lacquer detail, evokes a ribbon folding and flowing gracefully around the piece, adding a graphic, Parisian touch to the design. The slipper chair and pouf extend this gentle language: reassuring shapes, welcoming proportions, and oak feet in multiple finishes that ground each piece with finesse. Their rounded forms invite relaxation, the enjoyment of quiet, and the rediscovery of the simple beauty of essential shapes.
