

FP248001 PALETTE

When Isabelle de Borchgrave paints a picture, she mixes her colours on a piece of paper and, without meaning to, she composes. Her palette becomes paint; it is pure creative energy, everything is expression. When she mixes her colours, you can feel the intensity of her movements, the vitality of her hand and her instinct for colour. It is also a tribute to the studio, that incredible place where anything can happen. A powerful color palette, faithfully reproduced through wide-format digital printing.
