

FP250001 CANCUN

The slightly irregular red and purple chevrons evoke the impressions of stylized leaves or feathers. This motif conveys both apparent simplicity and the depth of Isabelle's line. The natural stroke is an extension of her hand, a self-evident gesture for her. Always alive, painted with a brush, it allows us to feel the spontaneity of the movement, its momentum; sometimes it is silence, sometimes it is motif... Printed on a linen textile, the design authentically captures the artist's hand.
