

FP253001 LES PIVOINES

The union of flowers, colour and stencils - three areas of experimentation for Isabelle de Borchgrave.

A tribute to nature, so often painted by the artist, with a modern twist. The peony is a symbol of beauty, generosity and femininity. This motif embodies what characterises Isabelle so well: the joy of bringing flowers into life and the importance of decorating one's home with flowers. An organic rhythm, accentuated by matte white ink and the natural, fibrous texture of the support.
