

## FP258001 PLISSE PLUMES

A delicate interplay between pleating, Isabelle's signature touch, and the collage technique she cherishes. Feather motifs are rearranged like a textile mosaic. The pleating brings depth and rhythm, while the collage fragments and recomposes. This tactile, sensorial creation evokes the plumage of a rare bird, each fragment suggesting a feather. Printed on embossed vinyl with a pleated effect, the motif bears the mark of Isabelle's meticulous craft and her love for folds.
