

FP260001 L'ATELIER D'ISABELLE 2

It was on this protective cloth that Isabelle painted her works. It has become a work of art in its own right. The fabric absorbed repeated gestures, color experiments, overflows—capturing the very life of the studio. Each stain, each stroke bears the mark of a moment of work, of a new project. It is like an indirect portrait of Isabelle. Faithfully reproduced with innovative technique, this motif is rendered in 3D on a textile base laminated onto non-woven backing, in a panoramic format
