

## FP399001 CUILKO

This magnificent life-size watercolor motif transports us into a colorful, offbeat South America. The colors, as well as the thorns of the cacti, are soft and appealing. They invite us to relax and enjoy a pleasant stroll in a desert where the sun caresses us and where the immensity's only purpose is to highlight the rare plants. The printed fabric which matches this wallpaper offers another design scale and a softer range of colors(F3080).
