

FP444001 ARTY

A gallery in the 11th district of Paris, an artist, a love at first sight. Marie-Cécile Aptel's abstract works evoke a beautiful emotion. Marie-Cécile Aptel favors large formats that present shapes drawn with a brush or pastels on colored surfaces, revealing the underlying canvas in spots. Her abstract works give rise to a thrill of feeling. This is why we chose to adapt one of her works as a wallpaper. The choice of a vinyl backing for this creation reinforces the theme of the artist's work by highlighting the texture of the canvas. Also available as a fabric: F2977.
