

## FP622002 CORDOBA

An imitation of a piece of Cordoba leather, made possible thanks to a technical innovation that combines embossing and the digital printing of a paisley pattern, taken from a collection of drawings for shawl prints from the mid-19th century.

## FP622002 - Argent

Raccord : Horizontal 52 cm / 20 inch

Laize : 52,00 cm / 20,47 inch

## Pierre Frey
