

FP863004 SOFIA

SOFIA, a wallcovering with an elegant relief and a subtle geometric pattern, woven in our workshops in northern France. In order to offer a new refined plain to decorate walls, Pierre Frey has rigorously chosen and combined a mixture of fibers. Laminated on a high quality non-woven backing, SOFIA is scraped with a matte ink and is available in 15 shades. A panel effect gives it a very natural look.
