

FP910001 LE PARTERRE DE MARGUERITES

Collaboration between the musée des impressionnismes Giverny and Maison Pierre Frey to pay tribute to the work of the famous painter Gustave Caillebotte, THE PARTER OF MARGUERITES. Like Claude Monet, Gustave Caillebotte was passionate about flowers. His work was probably intended for one of the rooms of his house in Petit-Gennevilliers to bring the garden inside... Bordered by a frieze, top and bottom, this panoramic takes us on a journey through the history of impressionist decorations. The original work of Gustave Caillebotte, dating from 1893, is kept at the musée des impressionnismes Giverny.
