

## FP915001 LE REPOS DES FAUVES

In a lush jungle, wild animals rest and small monkeys climb trees. This panoramic reproduces a scene from a printed canvas from the second half of the 19th century that is preserved in the Maison Pierre Frey archives. It is typical of the orientalist movement in vogue at the time. Printed on straw, this panoramic composed of an independent main scene can, for example, be used as a headboard decoration.
