

LP105003 BATIK RAISIN

This wallpaper uses a major classic from the House and is printed on cotton: L3673, which reproduces a textile from the beginning of the 20th century. Originally used for clothing and ceremonies, the batik print is done with a tool called "canting". This tool is used to apply wax on the parts of the fabric to be left blank before dying to create a motif. Screen printing by hand.
