

# F3521008 ANGKOR

Ce nouvel uni matière évoque les pailles naturelles asiatiques grâce à un mélange subtil de fils. Particulièrement adapté pour une utilisation siège, sa main et son tombé lourd et rond en font également un tissu de caractère pour des rideaux intemporels. Il se décline dans une large palette de couleurs élégantes et subtiles.

## F3521008 - Brume

Laize : 143,00 cm / 56,29 inch

## Pierre Frey
