

## FP405013 ZIA

Available in twelve new colors which complement the mineral accents of the grasscloth collection, this material is a surprising alternative to conventional wall covering. Silk brings out the exquisite beauty of these scintillating hues and makes this range so exclusive. As is the case for all traditional fabric wall coverings, the application of this material creates paneling effects which reinforce the unique, artisanal aspect of these timelessly luxurious silks.

### FP405013 - Dune

Laize : 130,00 cm / 51,18 inch

### Pierre Frey

<b>TYPE</b>	Plains & semi plains - Paperbacked fabrics
<b>SALES UNIT</b>	Available per meter/yard
